COURSEWORK

Algorithms
Data Structures
Artificial Intelligence
Databases
Statistics

SKILLS

PROGRAMMING

Comfortable :-
- C/C++
- Python
- Java

Versed :-
- HTML
- CSS
- MySQL

Familiar :-
- MATLAB
- Word
- Excel

SIDE PROJECTS

- **Developing a mini database application using python and MySQL**

RECENT PROJECTS & OPEN SOURCE WORK

- Developed my portfolio website :- https://lohith9.github.io/
- Developed a mini youtube downloader using python

ACHIEVEMENTS

- Rank 1 in K L University in solving more problems in GeeksForGeeks and Interviewbit(2018)
- EAMCET rank 5040 in A.P(2017)
- Got 60k+ rank in JEE-Main
- Qualified in IIT-JEE(Advanced) (2017).
- Got rank 1 in K L University in 1st round in Codersbit competition conducted by Interviewbit

AWARDS AND HONORS AND CERTIFICATIONS

- **Programming in Python (Internshala)**
- **Winner of Codersbit 2018(Interviewbit)**
- **Informatica Code-a-Thon 2018(Techgig)**

PORTFOLIO AND PERSONAL TECHNICAL BLOG

I also run my own personal blog on algorithms.

SUMMARY

Interested in problem solving and algorithms and I am regular contestant in CodeChef.(But an average sport programmer).But my passion is programming . My favourite programming language is **C++(STL**).
